

This is the data base of Graceland Cemetery located one mile west of Rowan, Iowa.

For further information or corrections, you may e-mail me at "aldrichtreefarm@mac.com"

or contact the Rowan City library at 641-853-2327

Information was obtained by inventorying grave markers, so some people are still

21

living, indicated by an "L". If no location of burial is given, there is no grave marker

and the information indicated is from the 1976 survey done by the Wright County

Genealogical Society. These booklets are available at the Clarion Public

Library. Six booklets of cemeteries close to Belmond are available in the Belmond

Public Library.

Information is current through Jan 26,2022

Last names are alphabetical, but First Names are not. They are arranged by (in order)

cemetery, section, plot, and lot, so that family groups may be assumed.

Veterans are indicated.

The "*" indicates that a obituary was consulted in the 1976 research.
